Call for Applications for various Awards to be given by the IMS in 2018

Applications are requested from researchers in mathematics for the following AWARDS to be given by the Indian Mathematical Society for the year 2018.

The last date for receiving the applications is June 30, 2019.

Applications till **31 / 3 / 2019** should be sent to **Prof. N. K. Thakare**, the General Secretary, IMS along with the copy of the published paper and the proof of the age on his e-mail address: nkthakare@gmail.com.

Applications **after 31/ 3/ 2019** should be sent to **Prof. Satya Deo** on his e-mail address : sdeo94@gmail.com until 30/6/2019.

Papers published in paid journals will not be considered.

(1) A. K. Agrawal Award for the year 2018

Terms and Conditions for the Award:

(a) The paper should be in the area of Number theory, Combinatorics, Discrete mathematics, Analysis and Algebra.

(b) The paper should be in single authorship. In exceptional cases, the paper by two authors could be considered. In this event the prize amount will be equally divided (between the two authors). The author(s) should not submit more than one publication for this award.

(c) The upper age limit is 45 years as on 31st December 2018. In case of two authors both must be below 45 years.

(d) The papers considered must have been published either online or in print version during the year 2018. The paper must have been published in an internationally refereed journal. More weightage could be given to well established journals.

(e) The author(s) should be Indian citizen and must have carried out the said research work in India.

(f) The prize carries a certificate and a cash amount up to Rs. 10,000/- depending on the rate of interest on the accrued amount.

(2) A. M. Mathai Award for 2018 (for best publication in Applicable Mathematics).

Terms and Conditions for the Award:

(a) The paper should contain significant original contribution in any branch of mathematics which has some applications in other fields such as Physical Sciences, Biological and Medical Sciences, Social Sciences, Probability and Statistics.

(b) The paper should be a single-author paper.

(c) The upper age limit is 35 years as on December 31, 2018.

(d) The author should not submit more than one publication for this award.

(e) The papers must have been published either online or in print version during the year 2018. The paper must have been published in an internationally refereed journal. More weightage could be given to well established journals. The papers on routine generalizations, computations of formulae without proper analysis should not be considered for this award.

(f) The author should be associated with any university/college/ institution in India where the work was done and the paper must have a mention of the name of that institution as affiliation (the person neednot be an Indian citizen).

(g) The paper sent for this award should not have been submitted or rejected for any other award.

(h) The award carries a certificate and cash amount up to Rs 30,000/- depending on the rate of interest on the accrued amount.

(3) Prof. Satish C. Bhatnagar Award for 2018 (For best paper in the area of History of Mathematics)

Terms and Conditions for the Award:

(a) The paper must be in the area of History of Mathematics focusing on a person, problems, region, system of education or government.

(b) The paper should be in single authorship. In exceptional cases, the paper by two authors is considered. In this event, the prize amount will be equally divided.

(c) The minimum age limit for this award is 35 years as on 31st December 2018. There are no limits on the citizenship of the applicant. The award consists of a citation and a cash prize of Rs. 10,000/-.

Nominations for this award will also be considered.
